MANUFACTURING SUPPLY CHAIN EXPO 2023

NEXT EDITION

JUNE 20-22, 2023

CENTRO CITIBANAMEX | MEXICO CITY, MEXICO

Co-located at  FITMA
2023

What is MSC EXPO?

Manufacturing Supply Chain Expo (MSC Expo), a world-class exhibition focused on the supply chain for the entire region, will function as a meeting place for workshops or companies supplying OEMs and large assemblers to support the economic recovery and growing demand, as well as to take advantage of the new rules originated by the T-MEC, and the current world situation.

Participate as exhibitor!

If you are a manufacturing company, or a Tier supplier (t2, t3, t4), and you're seeking for new contracts and generate new commercial agreements.

WHY EXHIBIT?

- Find the most in-demand purchase requirements
- Meet OEMs with sourcing needs
- Sign new contracts
- Network with potential buyers
- Increase your production capacity
- Learn new market trends
